

PRESS KIT · OPEN-FORMAT DJ · VIENNA

DJ King Halim

Afrobeats, Amapiano and Afro House at the core, with Hip-Hop, R&B, Dancehall and House around it. A DJ who reads the room, from dinner to peak time.

ABOUT

DJ King Halim is a Vienna-based open-format DJ with roots in St. Lucia and Vienna, documented in public line-ups since 2011. He has played as support DJ for **50 Cent**, **Luciano** and **Black Coffee**. He holds resident floors in Linz, Salzburg, Vienna and Graz, and is booked every year for the United Nations summer party in Vienna.

His strength is the build: warming up a room for a headliner, carrying a dinner into a dance floor, or turning a sunset into a party without a hard cut.

FORMATS

- **Clubs & festivals**: warm-ups, opening slots, second and Afro stages, after-parties
- **Beach clubs, hotels & rooftops**: daytime to sunset to party
- **Corporate & brand events**: galas, launches, private premium events
- Sets of 2 to 4 hours as standard; longer sets and split blocks possible
